Wednesday 17th December 2025

Dear Parents and Carers,

As part of our Science topic, we plan to take the children to The Science Museum on Friday 27th February 2026. We will be travelling by public transport (TFL) with a back-up travel plan including National Rail, and will leave at 09:00 and will return to school by 15:00. The children will be exploring exhibits relating to our Science learning. We will contact you via our texting service if the journey back is later than scheduled.

Children will need to bring a healthy packed lunch, (no sweets or fizzy drinks please) that they can carry in a suitable small bag, and wear appropriate clothing. Children should wear comfortable walking shoes for health and safety reasons and they must have a suitable coat depending on the weather.

We will require parental support on this occasion. If you are available, please indicate this on the reply slip your child has brought home. If we have lots of volunteers we will pick from a hat and let the lucky ones know as soon as possible!

Yours sincerely,

Cameron
Year 3 Spain Class Teacher
