Dear Parents and Carers,

I am writing to inform you of the exciting opportunities available to our Pupil Premium (PP) children regarding after-school clubs. As part of our commitment to ensuring that all students have equitable access to a wide range of experiences that support their personal and academic development, we are pleased to announce that we will be offering one additional free place per after-school club specifically for Pupil Premium children.

These after-school clubs provide enriching activities that enhance learning and social interaction, allowing students to explore new interests, develop skills, and build friendships. We believe that every child should have the opportunity to participate in these valuable experiences.

To secure a place for your child, we kindly ask that you sign up via the Google Form listed below:

https://forms.gle/GfR5smmet5d8j9MfA

This process will ensure that we can effectively manage the additional places and confirm participation promptly. We encourage you to complete the form at your earliest convenience to avoid disappointment, as these places are limited.

If you have any questions regarding the Pupil Premium funding or the after-school clubs available, please do not hesitate to contact our school office or your child's class teacher. We are here to support you and your child in every way possible.

Thank you for your continued support and for entrusting us with your child's education. We look forward to providing enriching opportunities for all our Pupil Premium children.

Yours sincerely,

Laura Whittingham
