Thursday 6th November 2025

Dear parents and carers,

As part of our Science learning, we plan to take the Year 5 children to the **Science Museum on Monday 1st December 2025**. The children will be touring the space gallery and investigating our solar system and galaxy. We will be travelling by public transport and will leave at 9:30 AM and will return to school by 2:30 PM. We will contact you via text if the journey back is scheduled to be later than planned.

What to Bring:

- Packed lunch (or you can request a lunch from the school kitchen on the permission slip).
- Weather-appropriate clothing and comfortable footwear.
- A small backpack with a water bottle (children must be able to carry their own bags).

Parent Volunteers:

We would greatly appreciate parent volunteers to accompany us on this trip. If you are available and willing to volunteer, please indicate your interest on the permission slip your child has brought home. In the event of an overwhelming response, we will select volunteers through a fair draw.

There is NO cost for this trip but you must still give permission for your child to attend by returning the permission slip e **by Monday 24th November 2025.**

Please do not hesitate to reach out if you have any questions.

Yours sincerely,
Alex, Tia and Estelle
Year 5 Teachers
