Thursday 6th November 2025

Dear Parents and Carers,

As part of our Science and History learning, we plan to take the children to Spitalfields City Farm on Wednesday 19th November 2025. We will be travelling by public transport (TFL) with a back-up travel plan including National Rail, and will leave at 09:00 and will return to school by 14:30. The children will be exploring the farm and making links to our Science learning, as well as early farming in the Stone Age and Bronze Age. We will contact you via our texting service if the journey back is later than scheduled.

There is no cost for this trip.

Children will need to bring a healthy packed lunch, (no sweets or fizzy drinks please) that they can carry in a suitable small bag. Please indicate on the permission slip if your child requires a school packed lunch.

Children should wear appropriate clothing and comfortable walking shoes for health and safety reasons and they must have a suitable coat depending on the weather. The paths around the farm will likely be muddy in the event of wet weather.

We will require parental support on this occasion. If you are available, please indicate this on the reply slip your child has brought home. If we have lots of volunteers we will pick from a hat and let the lucky ones know as soon as possible!

Please ensure the completed permission slip is returned to Cameron by Wednesday 12th November.

Yours sincerely,

Cameron
Year 3 Spain Class Teacher
