Millennium's Vision

Millennium celebrates curious minds and promotes high expectations for all, supporting their future successes.

Millennium's Values

At Millennium, we believe all children, no matter their starting point in life, should be exposed to experiences and opportunities to stimulate, challenge and develop them as citizens.

These values are integrated across the curriculum and embedded in everyday teaching practices. Teachers incorporate these values into lesson plans, classroom discussions, role-playing activities, and through modelling positive behaviours.

Respect
Honesty
Resilience
Kindness
Curiosity
Ambition

Head of School

Curriculum

At Millennium Primary School Nursery, we provide a warm, nurturing and highly supportive early years environment where children are encouraged to play, explore and develop a lifelong love of learning. Under the guidance of a qualified teacher and experienced Early Years practitioners, every child is supported to grow in confidence, independence and curiosity.

We recognise that the early years are a crucial foundation for future success. Our provision is carefully designed to ensure that children feel safe, valued and inspired every day.

As a school-based nursery, we deliver a rich and ambitious Early Years curriculum that is rooted in play-based learning and aligned to the Early Years Foundation Stage (EYFS). Our curriculum provides meaningful experiences across the key areas of learning:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

All activities balance carefully planned adult-led teaching with purposeful child-initiated exploration. We create opportunities for children to think, problem-solve, collaborate and develop resilience through high-quality interactions.
Our open-plan classrooms and extensive outdoor spaces allow children to move freely between environments, supporting independence and sustained engagement in a calm, safe and stimulating setting.

We are proud to be part of the OPAL (Outdoor Play and Learning) programme, which enriches our outdoor provision. Through OPAL, children benefit from extended opportunities for imaginative, physical and exploratory play using a wide range of open-ended resources.

Curriculum

Outdoor learning is embedded daily, supporting risk-taking, teamwork, creativity and physical development in a safe and well-supervised environment.

Our nursery is staffed by a skilled and caring team. Our Learning Support Assistants provide additional support where needed to ensure all children can access the curriculum successfully. Our pastoral team works closely with families to ensure that children's wellbeing is prioritised at all times.

Being part of a school allows our nursery children to participate in whole school events such as anti-bullying workshops, reading mornings, educational conferences, and so much more. The children also have access to the large school playground and hall for PE lessons and access to a range of resource rooms such as a music studio,sensory rooms, reading hubs, school library, allotment area, cooking area and art area.

Helping your child settle into their Nursery

Parents and carers often ask us how they can help their child get ready for nursery. We want you and your child to feel happy and confident when you join our nursery. There are a few key skills to concentrate on which will help your child to settle in. If you have any concerns about your child starting school, please let us know. We are here to help.

Getting dressed/ putting coats on independently.
Your child will, at times, change clothes or shoes to take part in different activities indoors and outside. To help your child feel more confident make sure their clothes are easy for them to take on or off e.g. easy fastenings, big buttons etc. Shoes with velcro are also great and being able to put their coat ion independently means your child will get the most playing time!! Try this trick to put on their coat....
https://www.youtube.com/watch?v=lkx_-f8-LIw&t=24s

Going to the toilet independently.
Teach your child to use the toilet and clean themselves afterwards. Explain the importance of flushing and encourage them to wash their hands thoroughly with soap before drying. An adult will always be available if they need help but this is an important step towards independence.

Taking turns.
We encourage our children to take turns and share. At Nursery they may have to wait to take their turn with games and activities. Help your child by playing games at home and with other children.

Enjoying stories
We love reading stories and sharing books at nursery. Help your child get used to holding books carefully by sharing books at home as much as possible - allow them to turn the pages as you read!

Singing songs and Nursery Rhymes.
We use songs and rhymes at nursery as this is a great way to help your child develop their singing language and communication skills. Try to listen to and sing rhymes and songs at home. You can find lots on: youtube!

Our Nursery Offer

We offer flexible hours to support our local families. We open at 9.00am until 3.30pm but child care is available from 8am-9am and 3.30pm-6pm, during term time only.

We offer full time places (9am - 3:30pm) with the option to access our breakfast club (8:00am - 9am) and extended day provision (3:30pm - 6:00pm).

We offer 30 hour (6 hours per day) places: details available on request.

We also offer 15 hour places across Monday to Friday. These can be taken as 5 morning sessions from 9am to 12noon, or 5 afternoon sessions from 12:30pm to 3:30pm.

We accept 30 hour childcare codes. Please obtain your code from the website www.childcarechoices.gov.uk
